## 1) Matters to note from last meeting

Not a huge turnaround from the previous meeting, so more just continue as we are and progress tracking

## 2) Issues discussed at this meeting

- Difficulties surrounding some of the bug fixes, particularly getting the correct screen size
- A new bug has been found where multiple instances of the same prompts appear

## 3) Decisions agreed at this meeting

- Carry on as we are as going well
- Begin AI coding as we have produced the plans for it

## 4) Date of next meeting

27/02/24, 15:00
