Names of team members present	Stuart Baker, Owen Chen, Lin Hein, Duncan Law, Eric Shi
Meeting format	Discord phone call
Date and time	16/02/25, 13:00
Meeting co-ordinator	Eric Shi

1) Matters to note from last meeting

Progress update on everyone's assigned tasks and the current development – on track for achieving our week 9 deadline set.

2) Issues discussed at this meeting

- Tasks required for the coming week to stay on track
- Issues with screen resolution when loading the game on Mac
- Date for us all to try the game together

3) Decisions agreed at this meeting

- Eric to complete the flow chart for the AI agents and their different behaviours based on their difficulty level
- Duncan to fix bugs he has identified
- Owen to manage basics of the auction code
- Lin to update the UI
- Stuart to finish sprint and update PERT documents

4) Date of next meeting

Thursday 20/02/25
